

Art – Nursery						
Year	Term	Unit	Drawing - Line, pattern and texture	Painting, printing and colour	Collage, sculpture and 3-D art	Responding to artwork and using a sketchbook
Nur	Aut		<ul style="list-style-type: none"> • Make curved lines and straight lines on different types of surfaces • Name mark making tools - pencil, pen, crayon ,chalk • Begin to close some lines to create a shape • Simple self-portraits – drawing shapes (circles and lines) <p>draw, shape, mark making, pictures</p>	<ul style="list-style-type: none"> • Know how to put on an apron. • Name painting tools - paintbrush, paint, apron, water pot • Name colours red, blue, yellow • Experiment making print patterns with different objects eg cars, bricks, leaves, twigs, rollers (inc large scale) • Exploring colours – look what happens when they are mixed. • Choose a colour for a purpose – animals, flowers <p>cut, stick, decorate, glue, mix, squeeze, paint, red, blue, yellow, colours, brush, paintbrush, print, pattern, apron, repeating</p> <p>*Schema link - repeating patterns (Maths)</p>	<ul style="list-style-type: none"> • Name moulding tools - cutters, stamps, • rolling pins • Manipulate dough to create 3D shapes • Build models with construction toys • Salt dough and play dough – manipulate the dough, kneed, squeeze, mould, cut with tools, feel, hand prints in the dough – Xmas decorations <p>tools, draw, squeeze, moulding, shaping, roll /rolling, press, pipe cleaners,</p>	Talk about paintings - describe the colours and textures. Henri Matisse - The Snail
	Spr		Create closed shapes e.g. Circles with continuous lines and begin to use these shapes to represent familiar objects.	<ul style="list-style-type: none"> • Create different effects with paint eg splat,, bubble, string. • Use large paintbrushes to paint paper on the floor • Exploring colours – , introduce different sizes of brushes. Discuss which brush to use for certain parts of the paintings. • Look what happens when textures are mixed. Choose a colour for a purpose – • animals, flowers <p>texture, orange, green purple, thick, thin, powder paint,</p>	<ul style="list-style-type: none"> • Explore different joining techniques - PVA, glue & masking tape. • Experiment with 3D junk modelling eg houses, vehicles • Footprint/ animal prints – print in playdough and paint - explore that you make a print with the printing item <p>print, join, PVA glue</p>	Talk about Jackson Pollock-style painting Red Composition - describe the colour and textures.

	Sum		<ul style="list-style-type: none"> • Draw with some detail representing a face with a circle and including details e.g. eyes, nose, mouth (using a mirror) • Select and use different drawing materials and use with increasing control • Add more features to simple drawings eg head, fingers, ears, horns. • Draw shapes including circles, crosses, diagonal lines, squares <p>Circles, crosses, diagonal lines, squares, draw</p> <p>*Schema link – shape and space – 2D shapes in the environment</p>	<ul style="list-style-type: none"> • Match colours to objects in the environment • Explore colour and colour mixing • Explore mixing secondary colours with support – visual support/ Scaffolds • Symmetrical printing – making butterflies <p>match, colour, colour mixing</p> <p>*Schema link– life cycle of a butterfly (UoW)</p>	<ul style="list-style-type: none"> • Roll and sculpt shapes eg rolling, twisting, coiling • Make impressions in clay/ pastry/ mod roc • Clay – explore adding water to it and how it changes consistence, pinch and cut with clay tools and cutters • Transient art – explore collecting natural materials and making into a simple picture – Andy Gouldsworthy <p>rough, smooth, shiny, spiky, pinch, cut, natural, twisting, coiling, clay, mod roc</p>	<p>Talk about Goldsworthy's art</p> <p>Name and describe the natural materials they have collected e.g. rough, smooth, spiky.</p> <p>Talk about different styles of art work - describe the colours and lines.</p>
--	-----	--	--	--	---	--

Art – Reception

Year	Term	Unit	Drawing - Line, pattern and texture	Painting, printing and colour	Collage, sculpture and 3-D art	Responding to artwork and using a sketchbook
Rec	Aut		<ul style="list-style-type: none"> • Hold and use drawing tools with increasing control to make marks – pens, chalk, crayon. • Make simple representations of familiar objects and people e.g. family using different enclosed spaces. • Develop and practice closed lines using good control. • Self portraits – draw themselves with mirrors • Draws shapes appropriately eg round for head • Focus on adding more detail to drawings on a smaller scale and talk about the features e.g. adding further detail to self-portraits like eyebrows and ears. <p>thick, thin, wavy, line, self portrait, features, observational, circles, crosses, diagonal lines, squares</p>	<ul style="list-style-type: none"> • Independently access painting resources from the continuous provision. • Name and recognise primary colours. • Select thick and thin brushes for a purpose. • Colour mixing to create secondary colours • Choose colours appropriately <p>Ready mix, change, thick, thin, powder paint, colour</p>	<ul style="list-style-type: none"> • Use modelling tools to shape and model materials e.g. clay, dough, pipe cleaners, tin foil. • Mould clay to create a Diwali Diva lamp <ul style="list-style-type: none"> - rolling - Coiling --Moulding Using a rolling pin to add texture <p>rolling, coiling, moulding, tape, mod roc, modelling,</p> <p>*Schema link – Diwali – Understanding the World</p>	<p>Describe a piece of artwork created by Paul Klee - Senecio</p>

	Spr	<ul style="list-style-type: none"> Select coloured drawing tools for a purpose. Rehearse and refine using marks, lines and curves to create simple representations of familiar objects and people. Make simple drawings from observations e.g. spring flowers. <p>tools , curves, lines</p>	<ul style="list-style-type: none"> Select colours for a purpose and begin to experiment with mixing these colours e.g. orange, green and purple. Use a stencil to create printed artwork. <p>bright, dark, light, stencil, printed</p>	<ul style="list-style-type: none"> Sculpt, shape,, twist and bend materials to make new 3D shapes. Attach and join materials using glue, tape, staples, paper fasteners. <p>Construct, sculpt, paper fasteners, join, 3D (covered in shape and space),</p> <p>*Schema link - 3D shapes shape and space</p>	Describe a piece of artwork created by Paul Klee - Red bridge (Rote Brücke) Compare his artwork from the previous term.
	Sum	<ul style="list-style-type: none"> Use mark making tools to make drawings that represent ideas or tell a story e.g. Silly Doggy, story map, Lego model design. Share models explain the process they have used. Model looking closely at the objects, identifying the shapes and copying tools, 	<ul style="list-style-type: none"> To use paint and control a paintbrush to create a representation of a sunflower. Look at and talk about their artwork (ongoing) <p>Paintbrush, control</p> <p>Schema link - grow sunflowers, observe natural changes</p>	<ul style="list-style-type: none"> Make a 3D model Make simple representations of shapes and simple objects with natural materials. Appropriately place objects into shapes. <p>Materials, natural, 3D</p>	Describe Van Gogh's artwork – Sunflowers. Share their drawings, explaining the process used.

Art – Year 1		Substantive knowledge: practical and theoretical				
Y e a r	T e r m	Unit	Drawing - Line, pattern and texture	Painting, printing and colour	Collage, sculpture and 3-D art	Responding to artwork and using a sketchbook - disciplinary

1	Aut	Mark-Making	<ul style="list-style-type: none"> • explore ways of drawing lines between two points • experiment with how I hold a pencil when sketching • discuss what a line is • use adjectives to describe lines • experiment with pressure when drawing pencil lines • experiment with different kinds of pencils and observe the different marks they make • create different repeated line patterns <p>Line, pattern, pressure, texture, material, medium, lead, graphite, repeating mark</p>	<ul style="list-style-type: none"> • hold a paintbrush correctly when painting • know what 'loading' the paintbrush is • know how to create a smooth sweeping brushstroke • use paint to create differently shaped lines • use a paintbrush to create lines of different thicknesses • I can experiment with different ways to make marks using a paintbrush <p>Brushstrokes, loading, thickness, technique, print, sweeping, scraping,</p>		<ul style="list-style-type: none"> • explore how Kandinsky used different lines in his artwork • discuss how a line or a dot can be a piece of art using the story 'The Dot' by Peter H Reynolds • discuss the artworks of Wassily Kandinsky and say what I like and dislike about them • spot different mark making techniques in Kandinsky's work • attempt to recreate some of the mark making in Kandinsky's artwork <p>Is art a picture of something real? Imitate, masterpiece,</p>
,1	Spr	Colour Creations		<ul style="list-style-type: none"> • name a variety of colours • choose a favourite colour and give reasons for my choices • know what primary colours and secondary colours are • mix primary colours to make secondary colours • know how to create lighter shades of colour • know how to create darker shades of colour • use a paintbrush to make basic marks using paint <p>Shades, tones, primary colours, secondary colours, abstract, composition, oil paints</p>	<ul style="list-style-type: none"> • use collage to create artwork inspired by Piet Mondrian <p>Collage Schema link – Computing – digital art</p>	<ul style="list-style-type: none"> • say if they like or dislike Piet Mondrian's art • spot similarities and differences between different pieces by Mondrian • create a piece of art inspired by Mondrian • comment on Mondrian's use of colour to create effects <p>Whose art is better? Mondrian or Kandinsky?</p>
1	Sum	Self portrait	<ul style="list-style-type: none"> • discuss how artists create different effects • investigate how to make different marks using sketching pencils • comment on how different grades of sketching pencil make different marks • make a choice about which pencil I need to use for a purpose • use a variety of media to create different effects • apply a variety of techniques when drawing • evaluate my work and the work of others and identify strengths and weaknesses <p>Subject, sketch, self-portrait, portray, hard lead, tracing,</p>	<ul style="list-style-type: none"> • experiment with different kinds of paint and what effects can be created with them. • comment on the effects different paints create • say which kind of paint I prefer: know about poster, powder, acrylic, oil, watercolour <p>water based, watercolour, poster, darker, pale washes, paler, technique</p>	<ul style="list-style-type: none"> • use clay to create a self-portrait • show an understanding and use of some basic clay skills • begin to use tools to help me manipulate clay • use coloured paper to create a collage self-portrait <p>Sculpture, collage, mixed media, pop-art, raised 3D effect, carve, chisel, mould, clay,</p>	<ul style="list-style-type: none"> • explore portraits by a variety of artists, including Matisse, Kahlo, Rembrandt, Van Gogh, Opie and more • comment on how portraits by different artists make me feel • understand that portraits can tell you about the person in them • make decisions about what I want my self-portrait to say about me • discuss likes and dislikes about different portraits <p>Does a portrait need to look like the person? Dislike, decision, features, silhouette,</p>
Art – Year 2						
Year	Term	Unit	Drawing - Line, pattern and texture	Painting, printing and colour	Collage, sculpture and 3-D art	Responding to artwork and using a sketchbook

2	Aut	Yayoi Kusama	<ul style="list-style-type: none"> • experiment with different materials to make marks • make attempts to mimic the art of a famous artist • experiment with different mediums to create a polka dot pattern • experiment with the kind of polka dot patterns I am making • follow instructions to create the basis for my sketching • make visual observations to inform my sketches <p>Stippling, circling, blotting, stroking, dabbing, twisting,</p>	<ul style="list-style-type: none"> • experiment with different mediums to create a polka dot pattern • experiment with the kind of polka dot patterns I am making • describe and make observations on a piece of artwork's colour and pattern • make choices about the tools I will use when painting <p>Pastel, printing</p>	<ul style="list-style-type: none"> • develop my scissor/cutting skills when cutting out circles • use paper art to recreate an installation piece by Yayoi Kusama • comment on the shape/form of 3-D objects and sculptures • use the rolling technique effectively to manipulate clay • recreate the form of a pumpkin, inspired by Kusama's sculptures <p>Fashion, sculpture, mirrored installation, gallery, technique, collage, cut out, negative, technique, surface, Obliteration Room, rolling technique, mould, blur, enhance,</p>	<ul style="list-style-type: none"> • join in discussions about a famous artist's work • remember and give some facts about Yayoi Kusama • respond appropriately to a piece of art by Yayoi Kusama • say if I like or dislike a piece of artwork <p>What is art?</p> <p>Similarity</p>
2	Spr	Earth Art Maths Year 1 and 2 link	<ul style="list-style-type: none"> • identify repeating patterns in rangoli patterns • identify repeating patterns in mandala patterns • spot the symmetry in mandala patterns <p>Pattern, Rangoli, natural pattern, texture, Mandalas, traditional Mandala, four quarters, modern Mandala, symmetrical, tool, outline</p>	<ul style="list-style-type: none"> • know that natural materials can be used to make different mark making materials, including paints • experiment with different ways to paint a rock • comment on the colours of natural materials and how this can add to my artwork • use given colours to finish a mandala <p>Pattern</p> <p>Pictographs, coloured paste, pre-made (paint)</p>	<ul style="list-style-type: none"> • describe what a sculpture is and comment on what different sculptures are made from • use natural materials such as twigs and sticks to create a sculpture • recreate rangoli patterns using natural materials such as leaves • use clay to create imprints of natural materials such as leaves • describe what weaving is and create a simple loom • weave using interesting natural materials • recreate a mandala using natural materials • use natural materials to create a collage scene <p>Sculpture, materials, natural materials, technique, abstract sculpture, weave, interlaced, woven, loom, warp threads, weft threads, loom weaving, assembled,</p>	<ul style="list-style-type: none"> • I can name ways that rocks were used in ancient artworks • I understand what is meant by 'abstract' artwork • I can comment on the patterns created in woven rugs and tapestry • I can discuss and explore mandalas with the class • I can comment on the shapes, colours and patterns I can see in a mandala <p>What is abstract art?</p>
2	Sum	Henri Rousseau	<ul style="list-style-type: none"> • sketch and draw plants and flowers in the style of Rousseau • sketch and create a 'portrait-landscape' • use my imagination to generate ideas for my sketch <p>Self-portrait, outlines</p>	<ul style="list-style-type: none"> • use natural materials to create prints • create prints inspired by Rousseau's paintings <p>Strong colours, foreground, shades, portrait, landscape paintings, portrait landscape</p>	<ul style="list-style-type: none"> • use paper to create a shoebox model of one of Rousseau's paintings • use paper and other materials to create a mask • use glue to help me attach different parts to my mask and/or model 	<ul style="list-style-type: none"> • say who Henri Rousseau was and recall facts about his life • discuss and explain how I feel when looking at a Rousseau painting • discuss portraits, landscapes, and Rousseau's genre of 'portrait-landscape' <p>Nonrealistic scale, dramatic, popular, critic, childish, landscapes, inspiration, exhibited, similarities, differences, features, images, imagination</p> <p>Do you like Rousseau's art?</p>

Year	Term	Unit	Drawing - Line, pattern and texture	Painting, printing and colour	Collage, sculpture and 3-D art	Responding to artwork and using a sketchbook
3	Aut	William Morris	<ul style="list-style-type: none"> recreate a wallpaper pattern in the style of William Morris explain what still life sketching is use soft, light sketching techniques to create a still life sketch adjust my pencil grip when sketching use careful observation skills to create a still life sketch make observations about different sketching mediums understand how shading is linked to the light source in a drawing identify repeating patterns in wallpaper designs <p>Asymmetrical, natural forms, still life pictures, inanimate objects, observation, pressure, smudge, continuous repeating pattern,</p>	<ul style="list-style-type: none"> describe the process of block printing explain how different colours are achieved when using block printing to create a design design and create a relief printing tile to be used for block printing use a printing tile I have made to create a repeating pattern identify why a print may not have come out correctly create a half drop pattern with my printing <p>Natural colours, printing press, vegetable dyes, printing block</p>	<p>Architect, architecture, textile designer, Arts and Craft movement, craftsperson, craftspeople, carve</p>	<ul style="list-style-type: none"> find similarities and differences between the different works of William Morris analyse an existing piece of artwork using language associated with Art and Design describe what the Arts and Crafts movement was and explain why it was founded comment on why I had to make changes to my design <p>Inspired, movement, quantity, quality,</p> <p>Why did the Arts and Crafts Movement happen? How did this change art?</p>
3	Spr	Famous Buildings	<ul style="list-style-type: none"> create areas of light and dark in my sketches using different shading methods such as hatching, cross-hatching, stippling and scumbling vary shading further through use of pressure comment on the patterns created in the architecture of St Basil's Cathedral recreate patterns using oil pastels and ink spot symmetry in the designs of famous buildings use tracing to create a symmetrical piece of art create texture in my artwork to reflect real-life Buildings <p>Technical drawings, aesthetics, textures (in relation to buildings), sketches, shading, hatching, scumbling, crosshatching, stippling, parallel lines, mesh-like lines, patterns in cathedrals, tracing symmetry, symmetry contrasts</p>	<ul style="list-style-type: none"> comment on the colours in the design of St Basil's Cathedral and the effect it has on the design change the value of a colour by creating tints and shades create colour blocks using oil pastels <p>Oil pastels, colour value, colour combinations</p>	<ul style="list-style-type: none"> choose materials I think would be suitable to make a sculpture or collage of a famous building use my folding and cutting skills to recreate a simplified sculpture of a building <p>Architectural, architect, landmark features, marble mausoleum, symmetrical design, media and techniques, simplified sculpture</p>	<ul style="list-style-type: none"> understand the role of an architect discuss the shapes and structures of famous buildings around the world say if I like or dislike the design of a building explore the work of Sir Christopher Wren and his design of St Paul's Cathedral choose elements of a building's design to fit a purpose I can follow a design brief in my own design of a building <p>Recreate, complement</p> <p>Can a building be a piece of art?</p>

3	Su m	Seurat and Pointillism	<ul style="list-style-type: none"> • give a good description of what pointillism is • experiment with a range of pointillism techniques • apply pointillism techniques using different mediums • evaluate techniques and mediums and say which one I prefer 	<ul style="list-style-type: none"> • use a variety of tools to create a pointillism painting • use a variety of mediums to create a pointillism painting • identify primary and secondary colours and explain how secondary colours are made • identify tertiary colours on the colour wheel • identify complementary colours on the colour wheel • mix colours using the pointillism method • make decisions about the subjects and colours of my artwork, giving reasons for my choices <p>Impressionism, light brushstrokes, dabs, luminous, neo-impressionism, Divisionism, Pointillism, vivid, mixed optically, complementary colours, colour wheel, illusion, neo-impressionists, landscape</p>		<ul style="list-style-type: none"> • explain who George Seurat was and why he was famous • state how I feel about a piece of artwork and justify my thoughts • experiment with a range of techniques and methods for creating Pointillism • state which method I prefer and why • name some Pointillist artists and identify Pointillism in pieces of art • give reasons for my choices of colour and subject in my artwork • apply what I have learnt about Pointillism to create my own piece of artwork • evaluate my finished artwork and compare it to that of my peers <p>How did pointillism break away from traditional painting?</p>
